

Board Member Candidate's e-flyer

First Name : **Zanon Yacouba**

Last Name : **Traore**

Why do you want to become an ASAF Board member?

Hello to everyone!

I am Zanon Yacouba TRAORE from Côte d'Ivoire (West Africa), student of the Erasmus Mundus Mundusfor program (2010-2012), lecturer and researcher at the Alassane OUATTARA University (UAO) in Bouaké. I am a candidate to become an ASAF Board member to make it more dynamic.

ASAF must not be a «club of friends» but an organization that brings together all young people motivated for integration, the promotion of gender, culture... To do this, I intend with you to make it known to all African universities and young people through attractive and innovative activities.

What is your vision for ASAF?

We want an ASAF so present in the most remote regions of the continent.

We want an ASAF so inclusive by collaborating more with the countries of Arabic, Portuguese, Swahili language and culture... etc

We want an ASAF present in universities and major meetings on the continent.

We want an ASAF that participates in interesting training (face-to-face and virtual) for its members.

Participants will receive training certificates and support for other similar activities in their countries or subregions.

What skills do you bring to the position and what contributions do you want to make?

As a university teacher-researcher, I think of putting my technical and transversal skills in training (Formative offers, colloquia, seminars and Mooc...) at the disposal of ASAF.

Together with you, we will be a force for innovative proposals to decision-makers so that the voice of Africa counts in African and European policies in the fields of training, education, youth and culture.

Why should you be elected as an ASAF Board member?

As an ASAF Board member, we will work towards more equity in the operation of ASAF. Starting with the promotion of Africa's main languages and cultures. Working for balanced participation of the members of the different African states.

Similarly, the promotion of technical skills of ASAF members without complacency.

For these changes, let's vote for Zanon Yacouba TRAORE!
